# ip&tvworldforum2011

Delivering Next Generation  
Multiplatform TV

22-24 March 2011, Olympia, London

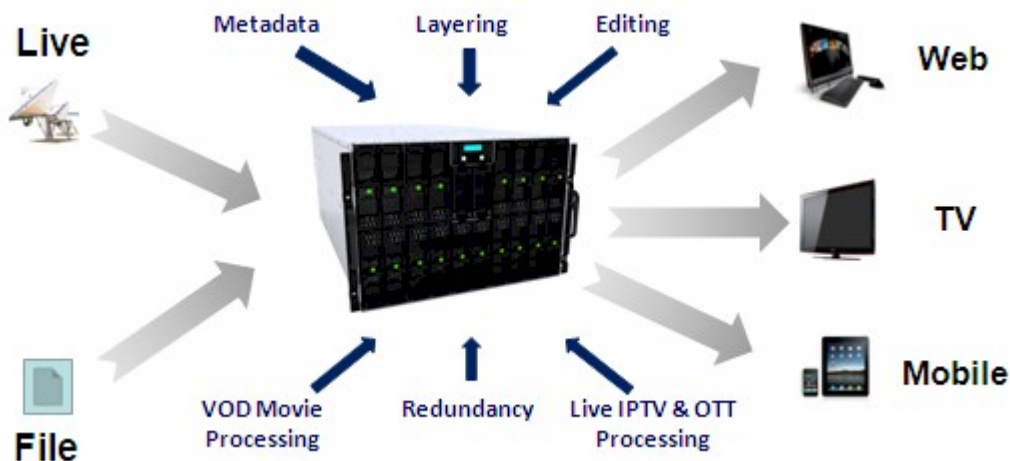

**Booth #287**

ATEME, who KCL represent in the UK, will be exhibiting at this event and we would be pleased to meet you there and talk about ATEME's latest Converged Media Solutions for multi-screen delivery (IPTV, PTT, VOD)

ATEME offer innovative live/file-based transcoding solutions to deliver the best-in-class video quality at the lowest bitrates to TV, Web and Mobile.

Come and see us to share this experience!

Register for your

**FREE**  
exhibition pass

and ask for scheduling a private meeting and demo with us.

**Contact for appointment: [sales@kanecomputing.com](mailto:sales@kanecomputing.com)**

**We look forward to seeing you there.**
